A BIOGRAPHY

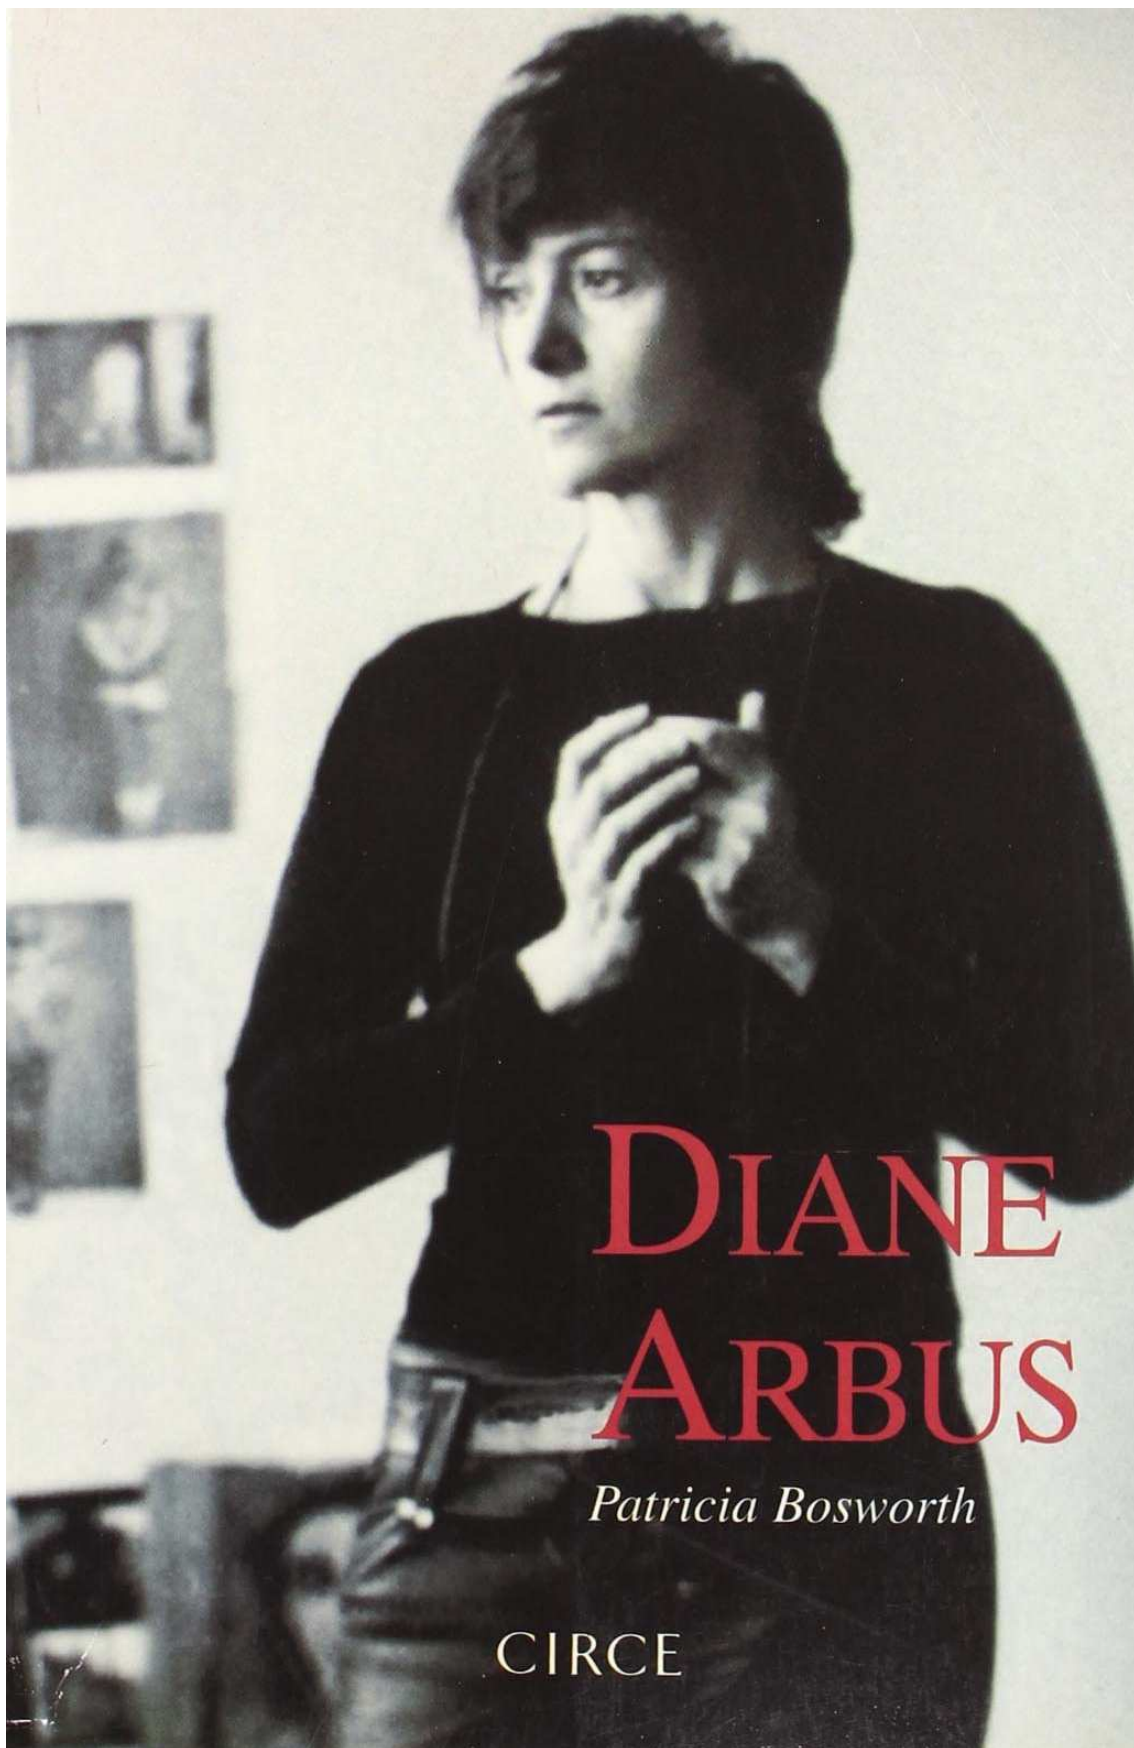

"Haunted, disturbing. . . . Bosworth has brought us tantalizingly close to her subject."

—Christopher Lehmann-Haupt, *New York Times*

A black and white photograph of Patricia Bosworth. She is standing in front of a wall that is densely covered with numerous small, rectangular photographs, some of which are pinned and others are leaning against the wall. She is wearing a dark, long-sleeved top and dark pants with a light-colored belt. Her hands are clasped in front of her chest. The lighting is dramatic, with strong shadows.
